

SCHOOL OF EDUCATION PROGRAMS

MASTER OF EDUCATION (MED.)

Faculty

- Peggy Cain, Program Director
- Shawn Coon, Associate Professor

The Master of Education (M.Ed.) is a flexible degree enabling educators and future educators to develop their expertise in an area of interest. Students develop skills in the methods of teaching and deepen their understanding of crucial “why” questions in educational practice. Students research an area of interest through action research or a qualitative research project in order to improve their own practice as educators and contribute to the wider field of education.

Philosophy Statement

The Master of Education (M.Ed.) degree program at Westminster University is committed to improving education through meaningful inquiry and innovative exploration of the connections between educational practice, values, and local/national/global contexts for learning. We emphasize a strong foundation in theory and active and engaged learning that incorporates students’ experiences.

The standards of the curriculum reflect the School of Education’s commitment to provide a well-rounded education congruent with the needs of master teachers and other instructional professionals. These standards include:

Facilitating learning: Students demonstrate foundational understandings of how people learn and demonstrate their skill at facilitating learning in a classroom, other teaching/learning setting, and/or through the creation of environments conducive to learning.

Research: Students will plan projects, search relevant professional databases, collect data through interviews and other applicable methods, analyze data, and complete and disseminate findings.

Critical thinking: Students will comprehensively explore issues, ideas, artifacts, events, and other positions, before accepting or formulating an opinion or conclusion.

Creativity: Students will combine or synthesize new ideas, practices, or expertise in original ways that are characterized by innovation, divergent thinking, and risk taking.

Collaboration: Students will demonstrate self-awareness, understanding of effective group dynamics, and project management skills.

Communication: Students will communicate ideas to audiences in oral, visual, and written forms to establish knowledge, to increase understanding, or to advocate for a particular position.

Global Responsibility: Students will (a) employ practices informed by social responsibility across the spectrum of differences and (b) demonstrate knowledge of and evaluate solutions for, educational challenges affecting local, regional, and global communities.

Program Description

Those teaching adults or administering educational programs for adults may earn an Adult Learning Certificate. This coursework can emphasize higher education, corporate training and workplace learning, continuing professional education, educational policy-making, and other related areas.

Trauma and Wellness track is valuable for any education-related professional who seeks to understand the impacts of trauma on people and how individuals and institutions can promote wellness through programs, organizations, and policy.

Licensed K-12 educators can enhance their teaching effectiveness with an endorsement in Teaching English as a Second Language. Coursework for all endorsements and certificates taken for graduate credit counts toward an M.Ed.

Note: Should the Utah State Board of Education change its requirements for teaching endorsements, the Master of Education requirements will change accordingly.

Classes in the M.Ed. program provide active, hands-on opportunities to learn and connect course work to students’ teaching or work settings.

Program Requirements

A minimum of 32 credit hours is required for graduation. A maximum of nine credit hours of graduate-level transcribed credit may be accepted from another accredited college or university. The accepted coursework must fall within the guidelines of Westminster’s Graduate Program in Education.

Although a minimum of 32 credit hours is required, students may desire, or need to complete, additional hours to enhance their graduate degree. Planning this graduate degree program is the responsibility of students in collaboration with their advisors.

Certain Master of Business Administration courses may meet graduate education program requirements. Students should consult with their education advisors for specific information and refer to the MBA sections of this catalog for course descriptions.

Retention in the Program

School of Education courses may only be repeated once.

The student must:

- Design and file an acceptable program plan with the Director of the Master of Education program.

- Maintain a grade point average of 3.00. Courses in which a grade of C- or lower is awarded do not count toward graduation requirements. A grade of C- or lower in two courses will result in dismissal from the program. School of Education courses may only be repeated once; a grade of C- or lower on the retake will result in dismissal from the program. All courses must be taken for a letter grade.
- Complete the program within six years, or begin to lose credit for courses older than six years.

Graduation Requirements

Candidates for graduation should apply to the Registrar’s Office approximately two regular semesters prior to planned completion of graduation requirements. Applications for December graduation are due in March and applications for May and August graduation are due in September. Please see the Academic Calendar for more specific dates. Candidates are notified of remaining degree requirements within four weeks after applying for graduation.

To be eligible for a master’s degree or graduate certificate, students must satisfy the following conditions:

- Meet all credit hour and other course requirements.
- Maintain an overall grade point average of 3.0 or above.
- Be enrolled at Westminster University during the semester in which they wish to graduate.
- Maintain good academic standing.
- Earn a grade of C or higher in all graduate courses.

Note: Only graduate-level coursework may be applied toward degree or certificate requirements. The final responsibility for being informed about, and adhering to, graduation requirements rests with the student.

Program Structure

Students have multiple curricular options in the M.Ed. program. Graduation from the degree program requires a minimum of 32 credit hours for any option.

Graduate Certificate in Teaching Adult and Higher Education

Requirement Description	Credit Hours	Prerequisites
I. Required Courses	9	
MED 613 Theories of Adult Learning	3	
MED 634 Teaching Adults	3	
MED 666 or MACOL 622 Online Teaching and Learning or Program Planning and Evaluation	3	
Total Hours for the Graduate Certificate in Adult and Higher Education	9	

Graduate Certificate in Teaching English to Multilingual Learners

Requirement Description	Credit Hours	Prerequisites
I. Required Courses	15	
MED 620 Multilingual Learners, Family, and Community	3	
MED 622 Language Acquisition	3	
MED 623 Instructional Methods for Multilingual Learners	3	
MED 624 Content Instruction for Multilingual Learners	3	
MED 625 Assessment for Multilingual Learners	3	
Total Hours for the Graduate Certificate in Teaching English to Multilingual Learners	15	

Graduate Certificate in Trauma-Responsive Education

The Graduate Certificate in Trauma-Responsive Education requires 9 graduate semester hours.

Requirement Description	Credit Hours	Prerequisites
I. Required Certificate Courses	9	
MED 637 Foundations of Holistic Wellness	3	

Requirement Description	Credit Hours	Prerequisites
MED 639 Neuroscience of Trauma	3	
MED 640 Trauma-informed Schools	3	
Total Hours for the Graduate Certificate in Trauma-Responsive Education	9	

Master of Education

Requirement Description	Credit Hours	Prerequisites
I. Core Course	3	
MED 610 or MED 670 Sociocultural Contexts for Learning or Adult Ed Foundations & Futures	3	
II. Elective Courses	21	
Students may choose classes from the following:		
MED 608 Special Topics	3	
MED 610 Sociocultural Contexts for Learning	3	
MED 613 Theories of Adult Learning	3	
MED 615 Education, Schools and Politics	3	
MED 620 Multilingual Learners, Family, and Community	3	
MED 621 Foundations of Multilingual Education	3	
MED 622 Language Acquisition and Development	3	
MED 634 Teaching Adults	3	
MED 635 Adult Ed Program Planning & Evaluation	3
